To Whom It May Concern

In February 2007, SeaBandit Boats Ltd initiated contact with:

Richard Thorpe
Marine Trade Manager
Oceanbridge Shipping Ltd
Auckland New Zealand

to ship a 40ft SeaBandit Sports Fishing Boat from Tauranga New Zealand to Brisbane Australia.

The receipt of the boat, all clearance matters and it's delivery at destination was handled by:

Kane Bygrave
Aurora Global Logistics

Commercial agents - Dockwise Yacht Transport
3 / 1 Wyuna Crt
Hemmant Q 4174

We were extremely pleased with the professionalism and attention to detail in which these two companies handled the entire process, making what appeared to us to be a complex and complicated operation so simple and stress free.

We can highly recommend the services of Oceanbridge Shipping Ltd, and Aurora Global Logistics to anyone who is considering the shipment of goods by ocean freight.

Please feel free to call me +64 7 5710566 if you wish to discuss our experience in more detail.

Kind Regards
SeaBandit Boats Ltd

Leo Smith
Managing Director.
