Dear Jason,

Again I would like to thank you for all that your company has done for myself personally and of course Lee Group Charters.

Buying super yachts in America and bringing them into Australian waters can be a daunting task for the uninitiated. To date I have purchased two motor yachts that your company has been involved in either bringing into Australia from Fort Lauderdale or returning to the USA. Your personal assistance and interest in these projects not only went like clockwork, but helped turn it into a pleasurable experience.

I would recommend to anybody thinking of doing a similar project to place their confidence and trust with your company Aurora Global Logistics. I might add further that when I asked you to help retrieve my lost tender from a little island north of Vanuatu, you again rose to the challenge which proved to me that your company is prepared to do what is necessary even when it come to small and difficult jobs.

Once again thank you for all that you have done for me and I look forward to working with you on any further adventures Lee Group Charters have in regards to relocating my yacht to destinations afar.

Regards
